D. Sending rules (CAN-SPAM)

1. **Honest headers.** "From" shows Cid Clean (e.g., "Cid Clean <info@cidclean.com>" or a named team member at cidclean.com); the reply-to address is monitored.
2. **Honest subject lines** that match the content of the email.
3. **Identify the message as an advertisement** with the line shown in Footer A.
4. **Valid physical postal address** in every commercial email: 3727 Milano Lakes Cir, Naples, FL 34114 (the company's address of record; it may later be replaced by a registered P.O. box or commercial mail address).
5. **Working opt-out** in every commercial email, active for at least 30 days after sending; no fee, login or information required other than an email address.

6. **Honor opt-outs within 10 business days**, keep a suppression list, and never sell or transfer unsubscribed addresses.
7. **Responsibility for vendors.** Cid Clean remains responsible if anyone sends marketing emails on its behalf.
8. **Email authentication.** SPF, DKIM and DMARC are configured for cidclean.com in Resend, and marketing emails include a one-click unsubscribe header (List-Unsubscribe), as required by Gmail and Yahoo for bulk senders.
9. **No marketing texts or calls.** Cid Clean does not send marketing text messages or make telemarketing calls to prospects without their prior express written consent, as required by the federal TCPA and the Florida Telephone Solicitation Act. These rules are outside the scope of this footer.
